

IMPORTANT INFORMATION FOR 2008-2009 BIOLOGY STUDENTS!!

- 1) The text for the class is Abeka Biology: God's Living Creation **2nd edition**. ABeka has released a 3rd edition but the second edition will still be available while supplies last. Please order your texts early to avoid unavailability.

The item numbers that you need are listed below:

Student textbook = **55220**

Student lab manual = **59811**

Student test book = **55263**

Biology test key = **55271**

- 2) REMINDER: There will be no biology class on the first day of Cornerstone (September 8th, 2008). In order to make up this time the following three classes (September 15th, 22nd, 29th) will be extended to 3:30. Thank you in advance for your cooperation.
- 3) If you have questions or concerns about either of these items please contact me. My e-mail is sdpearre@gmail.com and my telephone number is 410-857-2398.
